Small islands and villages are generally governed by a more or less democratic council or Parley, headed, or represented in dealings with other groups, by an elected Isleman or Islewoman, In the Reaches there is often no government other than the Isle Parley and the Town Parleys. In the Inner Lands, a governing caste was established early, and most of the great islands and cities are ruled at least nominally by hereditary lords and ladies, while the Archipelago entire was governed for centuries by kings. Towns and cities are, however, frequently almost entirely self-governed by their Parley and merchant and trade guilds.. "I don't understand! Explain this to me. Tell me. It's a wonderful thing to fly on the wings of a falcon, mistress, and to see the earth below you with a falcon's eye. And summoning, which is naming truly, is a great power. To know the true name is to have power, as you know, mistress. And the summoner's art goes straight to that. It's a wonderful thing to summon up the semblance and the spirit of one long dead. To see the beauty of Elfarran in the orchards of Solea, as Morred saw it when the world was young..." "I could fly there as a tern and be back on the ship before daylight," he said to himself, but idly. He was bound for O Port. Ruined lands were all too common. No need to fly to seek them. He made himself comfortable in his coil of cable and watched the stars. Looking west, he saw the four bright stars of the Forge, low over the sea. They were a little blurred, and as he watched them they blinked out, one by one..As old as Gont Island."Dulse considered himself a wordy, impatient man with a short temper. The necessity of not swearing had been a burden to him in his youth, and for thirty years the imbecility of apprentices, clients, cows, and chickens had tried him sorely. Apprentices and clients were afraid of his tongue, though cows and chickens paid no attention to his outbursts. He had never been angry at Silence before. There was a very long pause..the boat with better wares than most householders of the Isles were used to seeing, and Tern."Off you go, then," she said, "and leave us to settle this matter of the Rule." The old man put his own jacket around his shoulders and gave him water from his flask. Then he squatted beside him, his back against the immense trunk of the oak, and stared into the forest for a while. It was late morning, hot, the summer sunlight filtering through the leaves in a thousand shades of green. A squirrel scolded, far up in the oak, and a jay replied. Hound scratched his neck and sighed..Diamond. It tickled him a little, though, to see his boy teaching tricks to the witch-child.."There," Anieb said. She pointed at the mountain and smiled. She looked at her companion, then slowly down at the ground. She sank down kneeling. He knelt with her, tried to support her, but she slid down in his arms. If he had known it would be this easy, he could have had her name and with it the power to make her do whatever he wanted, days ago, weeks ago, with a mere pretence at this crazy scheme - without giving up his salary and his precarious respectability, without this sea voyage, without having to go all the way to Roke for it! For he saw the whole plan now was folly. There was no way he could disguise her that would fool the Doorkeeper for a moment. All his notions of humiliating the Masters as they had humiliated him were moonshine. Obsessed with tricking the girl, he had fallen into the trap he laid for her. Bitterly he recognized that he was always believing his own lies, caught in nets he had elaborately woven. Having made a fool of himself on Roke, he had come back to do it all over again. All her will was aimed on walking forward; she had nothing else in her mind, not him, not anything. But she was there bodily with him, and he felt her presence as keenly and strangely as when she had come to his summoning. The rain ran down her naked head and body. He made her stop to put on his shirt. He was ashamed of it, for it was filthy, he having worn it all these weeks. She let him pull it over her head and then walked right on. She could not go quickly, but she went steadily, her eyes fixed on the faint cart track they followed, till the night came early under the rain clouds, and they could not see where to set their feet..To the sisters and all these villagers, Mount Onn was the world, and the shores of Havnor were the edge of the universe. Tracing descent both through the male and the female lines, and intermarrying with various noble houses of the Archipelago, the royal house embraced five principalities: the House of Enlad, the oldest, tracing direct descent from Morred and Serriadh; the Houses of Shelieth, Ea, and Havnor; and lastly the House of Ilien. Prince Gemal Seaborn of Ilien was the first of his house to take the throne in Havnor. His granddaughter was Queen Heru; her son, Maharion (reigned 430-452), was the last king before the Dark Time..He reached out towards Yaved, towards the ache, the suffering. As he came closer to it he felt a great strength flow into him from the west, as if Silence had taken him by the hand after all. Through that link he could send his own strength, the Mountain's strength, to help. I didn't tell him I wasn't coming back, he thought, his last words in Hardic, his last grief, for he was in the bones of the mountain now. He knew the arteries of fire, and the beat of the great heart. He knew what to do. It was in no tongue of man that he said, "Be quiet, be easy. There now, there. Hold fast. So, there. We can be easy."..over me, laughing, chattering, babbling. . .
