Among Junior's many gifts, his ability to focus might have been the most important. Bob Chicane, his former instructor in matters meditative, had called him intense and even obsessive, following the painful incident involving meditation without seed, but intensity and obsession were false charges. Junior was simply focused. Whether or not the visitor in the client's chair had ever known much romance, he unquestionably had experienced too much adventure and more than his share of tragedy. Thomas Vanadium's face was a

quake-rocked landscape: cracked by white scars like fault lines in a strata of granite; the planes of brow, cheeks, and jaws canted in odd relationships to one another. The hemangioma that surrounded his right eye and discolored his face had been with him since birth, but the awful damage to his bone structure was the work of man, not God. A spirit-shredding bleakness clawed at her, but she couldn't permit it to leave her in tatters. If she traded hope for despair, as her brothers had done, Bartholomew would be finished before he'd begun. She owed him optimism, lessons in the joy of life. Junior didn't make the mistake of thinking that Magusson's new conciliatory attitude meant they were friends, that confidences could be shared or truths exchanged. The money-grubbing toad's only real friend would always be the one he saw in a mirror. If he discovered that Junior was having a great time post-Naomi, Magusson would store the information until he found a way to use it to his advantage. Vanadium's wounds were too grievous to pass for accidental injuries. Even if there were some way to disguise them through clever staging, no one would believe that Victoria had died in a freak fall and that Vanadium, rushing to her side, had slipped and tumbled and sustained mortal head injuries, as well. Such a strong whiff of slapstick would put even the Spruce Hills police on the scent of murder. Then Agnes said, "Well, it's clear to me that you won't be able to talk out your life in just one year. Should be a two-year grant." "Then I'll attend to everything right away," the doctor said, reaching for the privacy curtain that surrounded the ER bed. The funeral director and his assistant were the only people, other than Junior, remaining at the grave. They asked if they might lower the casket or if he would rather that they wait until he was gone. Frequently, these days, she found herself explaining aspects of life to Barty that she hadn't expected to discuss for years to come. She wondered how she could make him understand this: Life can be so sweet, so full, that sometimes happiness is nearly as intense as anguish, and the pressure of it in the heart swells close to pain. "You better wise up, you tree-humping nitwit," Rudy advised Junior, grabbing the bed railing as if he might tear it off and use it to club his son-in-law senseless. The musician's behavior required explanation. After wending through the crowd, Junior located the man in front of a painting so egregiously beautiful that any connoisseur of real art could hardly resist the urge to slash the canvas to ribbons. He bought knives. And then sheaths for the knives. He acquired a knife-sharpening kit and spent the evening grinding blades. He stood watching until the car cruised out of sight, and even after it dwindled to a speck and vanished in the distance, he stared at the point in the street where it had last been, stared while a breeze turned playful, tossing eucalyptus leaves around his feet, stared until at last he turned and began the long walk home. Between new women and needlepoint pillows, he participated in sances, attended lectures given by ghost hunters, visited haunted houses, and read more strange books. He even sat for the camera of a famous medium whose photographs sometimes revealed the auras of benign or malevolent presences hovering in the vicinity of her subject, though in his case she could discern no telltale sign of a spirit. "Who...who're you?" Junior rasped, still badly rattled by the nightmare and by Vanadium's presence, but quick-witted enough to stay within the clueless character that he had been playing. The reception still roared in both showrooms of the gallery. Legions of the uncultured, taste-challenged in every regard except in their appreciation for hors d'oeuvres, yammered about art and chased their cloddish opinions with mediocre champagne. This thought startled Agnes, disturbed her-yet, inexplicably, it also poured a measure of warm comfort into her chilled heart. "With this money, you won't have to cut back on the number of pies you give away--and all of that." "Take care you don't beat evil into him," said his aunt. Lowering his surgical mask, Dr. Lipscomb approached Celestina, where she stood with her back pressed to the wall. For breakfast, he avoided sugar. He ate cold roast beef and drank milk laced with a double shot of brandy. Rising, Celestina said to Tom, "Last Tuesday night, we had to switch on the lawn sprinklers. This will be much better." And somewhere Selma Galloway, their neighbor, was not a spinster but a married woman with grandchildren. Crouching beside the boy as he rubbed a brighter shine onto the granite, Agnes said, "Barty, honey, why are you .... Nellie found the strength to rise, but having risen, she was unable to speak. Her mouth shaped words, but her voice deserted her. Like the chicken egg. As weary as she was, Agnes could not at once puzzle out the meaning of those four words. Then: "Oh. He's in an incubator." He hadn't seen Thomas Vanadium since Monday, at the cemetery, and Vanadium hadn't pulled any tricks since leaving twenty-five cents at his bedside that same night. Almost four days undisturbed by the hectoring detective. In matters Vanadium, however, Junior had learned to be wary, prudent. From the darkness of his room, Barty now spoke the words for which Agnes had been waiting, his whisper soft yet resonant in the quiet house: "Good-night, Daddy." Junior put the money on the desk. "Then get into the records of Family Services." In fact, attorneys for the potential plaintiffs felt that Nork, Hisscus, and Knacker were too willing to reach an accommodation, and they met the trio's conciliation with high suspicion. Naturally, the state didn't want to defend against a claim involving the death of a beautiful young bride and her unborn baby, but their willingness to negotiate so early, from such a reasonable posture, implied that their position was even weaker than it appeared to be. Celestina checked her wristwatch and saw that she was running late. With Angel's short legs and layers of red, there was no point in trying to hurry. "Frozen firing pin," Cain said. His smile was venomous. "I worked on it. I hoped you'd get here in time to see the consequences of your stupid games." At 3:31 A.M., even the early-winter dawn wasn't near, yet Junior was too awake to return to bed. Though sweet, though melancholy, never ominous, the ghostly singing had left him feeling ... threatened. He considered taking a shower and getting an early start on the day. But he kept remembering Psycho: Anthony Perkins dressed in women's clothes and wielding a butcher knife. Thrilled to have inspired this awe in her, he closed the book. "Remember what we talked about a long time ago? You asked me how come, if I could walk where the rain wasn't. . . ." Down the stairs, through the ground floor, quickly, soundlessly, breath held at times, listening for the other's breathing, listening for the softest squeak of rubber-soled shoes, although the hard clack of cloven hoofs and a whiff of sulfur would not have been surprising. At last he went to the kitchen, full circle from the shiny quarter on the breakfast table to the quarter again. No Cain. When Agnes and Paul returned from a honeymoon in Carmel, they discovered that Edom had finally cleared out Jacob's apartment. He donated his twin's extensive files and books to a university library that was building a collection to satisfy a growing professorial and student interest in apocalyptic studies and paranoid philosophy. "There's no clear evidence of birth defects, but a couple tests reveal some worrisome anomalies. We'll know when we see the child." Junior considered slipping quietly around the house, peering in windows, to be sure she was alone, before approaching directly. If she saw him, however, his wonderful surprise would be spoiled. With a bark of pain, chest to chest with defeat, the killer was borne downward by the fragrant weight, in a clink and clatter of brass handles. In answer, Wally came running with his heavy medical bag, as he was vow doctor to some people on the pie route. "The weather's a lot better than I expected, so I went back to change into lighter clothes." Trembling, she sat beside the bassinet and gazed at her baby with such love that the force of it ought to have rocked him awake. Having used his body as a clapper in the bell of the Dumpster, Junior had struck a loud reverberant note that tolled like a poorly

cast cathedral bell, echoing solemnly off the walls of the flanking buildings, back and forth through the fogbound night..Celestina smiled distractedly. Since arriving at the hotel an hour ago, she had been openly debating with herself whether to call her parents in Spruce Hills or to wait until later in the afternoon, when she might be able to report not just that she had a fianc?, and not only that she had a fianc? who'd been shot and nearly killed, but also that his condition had been upgraded from critical to serious. As she'd explained to Tom, in addition to worrying them with the news about Cain, she'd be stunning them with the announcement that she was going to marry a white man twice her age. "My folks don't have one ounce of prejudice between them, but they sure do have firm ideas about what's appropriate and what's not." This would ring the big bell at the top of the White Family Scale of the Inappropriate. Besides, they were preparing for the funeral of a parishioner, and from personal experience, Celestina knew their day would be full. Nevertheless, at ten minutes past eleven, after picking at her breakfast, she finally decided to call them..During this same period, having subscribed to the opera, Junior attended a performance of Wagner's The Ring of the Nibelung..He had not heard the lawman rising up with malevolent intent, as he had imagined. The body had simply rolled off the backseat onto the floor during the too-sharp 180-degree turn..O foolish writer. Now moves. Even in storytime, dreamtime, once-upon-a time, now isn't then..Hound shrugged. He didn't choose to tell Losen that people hated him disinterestedly..Now the message ... Something about a hospital. Someone dying. A cerebral hemorrhage..Bartholomew was an uncommon name, however, and logic suggested that if the baby was now called Bartholomew, he'd been named for his adoptive dad. Therefore, a search of the listings might be fruitful..No one could put him in prison because of his dreams. "I can't remember. Those are the worst, when you're not able to remember them-don't you think? They're always so silly when you can recall the details. When you draw a blank ... they seem more threatening."..Junior joined the throngs, although he had no gift list or feeling for the season. He just needed to get out of his apartment, because he was convinced that the phantom singer would soon serenade him again..Animal instinct told Junior that the business with the quarter in the diner and now these quarters in his living room were related to his failure to find Bartholomew, Seraphim White's bastard child. He couldn't logically explain the connection; but as Zedd teaches, animal instinct is the only unalloyed truth we will ever know..With Naomi, sex had been glorious, because they were bonded on multiple levels, all deeper than the mere physical. They had been so close, so emotionally and intellectually entwined, that in making love to her, he'd been making love to himself; and he would never experience a greater intimacy than that..Kathleen expected this would prove to be true. She herself was not frightened by Thomas Vanadium's appearance; but then she had been prepared for it before she first saw him. And she wasn't a murderer, fearful of retribution, to whom this particular face would seem like Judgment personified..When Junior opened the trunk, he discovered that fishing gear and two wooden carriers full of carpenter's tools left no room for a dead detective. He would be able to make the body fit only if he dismembered it first..Busily, earnestly, with great satisfaction, Junior redirected his anger at Celestina and at the man with her. These two were, after all, guardians of the true Bartholomew, and therefore Junior's enemies..Agnes supposed Jacob trembled in anticipation of the crash of an airliner or at least a light aircraft. Edom might be calculating the odds that this serene place-at this specific hour-would be the impact point for one of those planet-killing asteroids that reputedly wiped most life off the earth every few hundred thousand years or so.."It's there even when you read to me now. The sad feeling, I mean. It changes the story, makes it not as good, because I can't pretend I don't hear how sad you are."..Closing her eyes, Agnes whispered, "Bartholomew," in a reverent voice full of wonder, full of awe..He swept the immediate area with the flashlight, and shadows spun with shadows, waltzing spirits in the ballroom of the night..Harmless though they were, the sight of them, swaddled and for the most part concealed, first troubled him and then quickly brought him --inexplicably, irrationally, undeniably--to the trembling edge of outright fear..Finding nothing more of interest in the study, he considered searching the rest of the house..Far from idiotic, Junior's cause was his survival and salvation, and he committed himself to it with every fiber of his body, with all of his mind and heart..Number three on the charts was "Mr. Lonely," by Bobby Vinton, an American talent from Canonsburg, Pennsylvania. Junior sang along..Less cautious than the typical accountant, perhaps mellow in this season of peace, Prosser opened the door without hesitation..After coffee had been served, when Celestina and Wally were no longer the center of attention, he indicated the array of desserts with his fork, smiled, and said, "I just want you to know, Celie, that these are sweets enough until we're married."..Celestina said, "Phimie wasn't a mind reader. That's science fiction, Dr. Lipscomb.".."What do you think of the exhibition," Junior asked, taking one step toward the musician, crowding him..The Bright Beach Library was open until nine on Friday evening. Arriving an hour before closing, they returned the Heinlein novels that Barty had already read and checked out the three that he wanted. In a spirit of optimism, they borrowed a fourth, Podkayne of Mars..Her hands were slender, long-fingered, graceful. The hands of an artist. They were not powerful hands..For a long time, she sat alone in the dark living room, in the armchair that had been Joey's favorite, thinking about many things but returning often to the memory of Barty's dry walk in wet weather..Agnes pulled the stack of cards in front of her. She discarded the first two, as Maria would have done, and turned over the third..Junior was disturbed that the mysterious chanteuse had been performing when he wasn't home. He felt violated. Invaded..Like a disc fish with silvery scales, the coin lay in the cup of Junior's palm. Directly over his life line..He smiled ruefully. "Might be ready for a wedding by then, but not a honeymoon."..Junior was flattered, he really was. Women couldn't get enough of him. The story of his life. They never let go gracefully. He was wanted, needed, adored, worshiped. Women kept calling after they should have taken the hint and gone away, insisted on sending him notes and gifts even after he told them it was over. Junior wasn't surprised that women would return from the dead for him, nor was he surprised that women he'd killed would try to find a route back to him from Beyond, without malice, without vengeance in their hearts, merely yearning to be with him again, to hold him and to fulfill his needs. As gratified as he was by this tribute to his desirability, he simply didn't have any romantic feelings left for Naomi and Seraphim. They were the past, and he loathed the past, and if they wouldn't let him alone, he would never be able to live in the future..Either operating on first-aid knowledge of his own or responding to an instruction from the medic, the cop slipped a foam pillow under Agnes's head.."I can try, your highness."..Regrettably, he had no choice but to conclude that she hadn't made up her mind whether to keep the baby or to seek out an illegal abortion without Junior's approval. She had been thinking about scraping his child out of her womb without even telling him..Nolly's gums were in great shape, too: firm, pink, no sign of recession, snug to the neck of each tooth..In spite of the ravages of illness and age, beauty remained in the old woman's face. Her bone structure was superb. In youth, she must have been stunning.."I'm afraid you're wrong." When Tom opened his left hand, the palm lay as bare as that of a blind beggar in a country of thieves. Meanwhile, his right hand had tightened into a fist again..Dr. Daines spoke with Celestina in the corridor, outside the door to 724. Some of the passing nurses were

nuns in wimples and full-length habits, drifting like spirits along the hallway..Playing with fire was fun when you didn't have to attempt to conceal the fact that it was arson..If he didn't find the Rolex and get back to his car before the reception ended, he'd forfeit his best chance of following Celestina to Bartholomew..Kaitlin had the piercing voice and talent for vituperation that marked her as a member of the Hackachak tribe, but for now she was content to leave the vocal assault to her parents. The stare with which she drilled Junior, however, if brought to bear on a promising geological formation, would core the earth and strike oil in minutes..In a minute or two, one of the cops returned, crouching close as the medics worked. "There's no intruder.".Her eyes, lustrous pools, brimmed with the need to know, but she respected the deal. "I only half understood all that, and I don't even know which half, but in some strange way, it feels true. Thank you. I will think about it tonight, when I can't sleep." She stepped close and kissed him on the cheek. "Who are you, Tom Vanadium?".Her first year at college, she had hoped only to be able one day to earn a living as an illustrator for magazines or on the staff of an advertising agency. A career in the fine arts, of course, was every painter's fantasy, the full freedom to explore her talent; but she would have been grateful for the realization of a much humbler dream. Now, she was just twenty-three, and the world hung before her like a ripe plum, and she seemed able to reach high enough to pluck it off the branch..Aware of the mortician's new edginess, Jacob was convinced that his initial distrust of Panglo was justified. This twitchy little guy seemed to have something to hide. Jacob didn't have to be a cop to recognize nervousness born of guilt.. "I'll come by at eight o'clock for breakfast," Wally suggested. "We have to set a date.". "If you ranted at him about earthquakes, tornadoes, erupting volcanoes, and all that stuff, how could he mistake you for me?".His wife, Dorothea, adored him, not least of all because he had taken in her eighty-year-old mother and treated that elderly lady as though she were both a duchess and a saint. He was equally generous to the poor, burying their dead at cost but with utmost dignity.
